

GET CREATIVE THIS NEW YEAR!

Moving Memory Dance Theatre Company is looking for volunteers to create and deliver our unique community workshops to residential settings.

Moving Memory makes striking, visual performances for audiences of all ages and challenges stereotypes of ageing.

In this new project, we'll be taking our unique Moving Well practice into community settings, empowering participants to find their own creative expression.

So if you have a creative streak or fancy yourself as a performer, come and join us!

Get-togethers will be held at the University of Kent, Canterbury from January 2022.
